Contact ph 07 572 4000 or email enquire@classicflyersnz.com

IMPORTANT INFORMATION

A minimum \$150 spend applies to each booking. (This works out to be six children per party).

Age Restrictions:

- [Jurassic Dinosaur, Super Hero & Small Army Kids Parties](#) are suitable for children 4 years & over
- The [Nerf Wars Kids Party](#) has a minimum age limit of 6 years of age (this is due to the physical nature of the activity and the ability to operate the weapons safely)
- Babies or infants may attend the party at no cost with their parents but will not be catered for or eligible for party loot bags due to the food and content of the bags not being suitable for them.

Fun Things to do in the Museum:

- Go inside an old 4-engine airliner to see what travel was like in the past
- Climb through a World War 2 patrol sea-plane and B-17 bomber to experience history
- Ride on a vintage Fire Engine & tour part of the airfield – this activity is subject to weather and truck availability (because of the age of truck, safety comes first).
- Ride on the shared pedal planes around the hangar (5 years & under only).
- Try shooting a gun in the machine gun turret
- Go for a ride in Charlie the Chopper (under 5 years only – additional costs apply)

Outside Catering of Party Food

It *is not permitted* under the terms of our catering licence to allow guests to bring their own catering to these parties with the exception of a Birthday Cake.

Food for Adults attending the party:

Adults are welcome to make individual purchases for their food and drink requirements from the Av-Gas café during the party and take them through to the party area. Platters can also be pre-ordered when confirming the party booking (ask for prices and options).

Smoking Policy:

Classic Flyers has a no-smoking policy in the café for the comfort of all our guests. Also for safety reasons there is no smoking allowed in and around the aircraft in the hangar.

Safety Requirements in the museum:

While the museum is a fun place, we would remind you that it is not an adventure playground. **You must provide adequate supervision of your children at all times.** There are many sharp, hard objects and the concrete floor can be slippery. Children must wear footwear at all times.

Our museum guides will be glad to show you around and assist you where necessary. But we ask that you follow their guidance and respect the museum's property and the enjoyment of other visitors to the museum. Inappropriate or unsafe behavior cannot be tolerated and you may be asked to remove any children involved.

Rain Checks

If it is raining the Fire Engine may not be able to operate for safety reasons. The Nerf War is an outside activity and cannot operate in the rain (or inside the hangar for safety reasons) so the party would be downgraded to a Super Hero party which can operate with Nerf guns inside the hangar

Cancellation Policy

Due to circumstances beyond our control we may have to reschedule a booked party if the hangar becomes unavailable due to a major last minute event happening. We will contact you if this is the case as soon as we can to discuss alternative options.

Should you choose to cancel your party - deposits will only be refunded if the party is cancelled a minimum of 2 weeks prior to the party booking or at our discretion.
