

MUSEUM HANGAR APRON IDEAL FOR CAR AND BIKE CLUB MEETS

We are Tauranga's premier visitor attraction located at Tauranga Airport.

Featuring a fascinating aircraft museum supported by our popular AvGas licensed café, we offer light meals and al-fresco catering on the tarmac with a BBQ facility.

Not only is Classic Flyers a great place to show off your vehicles alongside our Classic aircraft, it's a fun place to bring the kids too!

Check out our car and bike club friends @ Classic Flyers!
