

# CLASSIC FLYERS MT MAUNGANUI

## IDEAL FOR CAR & BIKE CLUB MEETS

If you are looking for a venue for your club to visit this summer then why not make the drive to sunny Mt Maunganui

We are located at Tauranga Airport. We are Tauranga's premier visitor attraction featuring a fascinating aircraft museum, supported by our popular AvGas café and bar. We can offer your group catering al-fresco on the tarmac with a Bar-b-Que facility, or you can eat in the café or we have rooms available for hire for meetings or private dining.

Not only is Classic Flyers a cool place to show off your vehicles and get some great photos with our Classic aircraft on the tarmac inside the museum, but it is a fun place to bring the kids too!

See how some of other car & bike clubs have enjoyed coming to Classic Flyers.

So if you would like to bring your club to Classic Flyers museum as part of a day out contact us at:
